

Uplands won "Integrated Township of the Year - India" Award

ABP News Real Estate Awards 2016

The **ABP News Presents Real Estate Awards** is an independent reward recognition exercise initiated to give due credit to those who are rewriting the script of the Real Estate sector.

Apart from organizations, the awards also honoured the professionals who have envisioned and created marvels in the real estate sector. It's a gesture not only to celebrate the magnificent architecture and intricate interiors of Indian industry; but also the best practices, transparency and respect for environment & sustainability.

The focus of the **ABP News Presents Real Estate Awards** this year has been to evaluate the efficient project management and measurable customer satisfaction & sustaining the brands.

ABP News Real Estate Awards 2016

Arvind Infrastructure Ltd bagged two national awards in this edition of ABP News Real Estate Awards 2016.

1. Emerging Developer of the Year – Residential
2. Integrated Township of the Year – Uplands.
3. 100 Real Estate Icons of India – Mr. Kamal Singal

Arvind Infrastructure not only showcased itself as one of the emerging , well-established and organized Real company but also received its credit for Product and design innovation.

The two awards are testimony to our focus on Product Innovation, Customer eccentricity and core values such as transparency.

Uplands Township, Ahmedabad : Integrated township of the year
