*At the heart of connectivity*

## Tumkur Road

With the city further expanding, the north-west belt of Bengaluru is becoming a hotspot for residential and industrial projects. Tumkur Road that interlinks the city to the outskirts is one of the highlights of this region. It also enables seamless connectivity to Nelamangala, International Airport and the Outer Ring Road.

## Nagasandra Metro Station

No more traffic, pollution or noise. The nearest metro station is as close as a 200-metres walk. The well-connected metro ensures that you get to your destination, even if it's as far as Jayanagar, in less than an hour's time.

Yeswanthpur Railway Station – 17 min | City Railway Station – 36 min

Jayanagar – 38 min | Cubbon Park – 41 min | Vidhana Soudha – 41 min

MG Road – 44 min | Ulsoor – 45 min | Indiranagar – 48 min

## Peripheral Ring Road

The upcoming Peripheral Ring Road which would trace the city's border is just a few minutes drive from Arvind Oasis. The PRR will connect Tumkur Road and Hosur Road, and pass through Old Madras Road, Doddaballapur Road, Sarjapur Road and NICE Ring Road.

*unique by design*

### **In harmony with Vaastu**

The entry gate of Arvind Oasis faces North, the most auspicious direction for entrance. The site has a Gaumukhi shape which means it's narrow in the front and gets wider inside. This is considered to be an auspicious shape.

All the homes face East, West or North. Several units have an 'Ishanya' entrance.
